latitude pattern notes

working in a single color

When knitting a solid-color version of Latitude, for the most part, you can simply ignore any instructions about changing colors, and knit the pattern as written. There are just two places where you will do something slightly different if using a single yarn color.

Under 'Reinforce shoulder line and back neck,' work as directed through 'Change to US 5 [3.75 mm] circ,' then work Row 2 as follows:

> **Row 2** *for solid color version:* (WS) P-tbl across braid to end. Break yarn.

Under 'Shape sleeve,' work as directed through 'Set-up short row,' then work as follows:

> **Short Row 1:** (RS) Knit to prev wrapped st, pick up wrap, knit to marker, remove marker, w&t; (WS) purl to prev wrapped st, pick up wrap, purl to marker, remove marker, w&t.
>
> Rep Short Row 1 until all locking markers have been removed, then skip to '*All sizes*'.
